**Starting Bid: \$3,900**

A rare early Azores note in black, dark green, and brown with a finely engraved vignette featuring three figures and coat of arms at upper center. The arms is also featured on the back. Ch 6. Overprinted in black "MOEDA INSULANA" instead of red as described in The Standard Catalog. No Acóres overprint. Unillustrated in The Standard Catalog and priced only up to Fine at \$3,000. **Starting Bid: \$2,000**

- 26039 **Azores** Banco de Portugal 20 Mil Reis Ouro 30.1.1905 Pick 13

- 26040 **Azores** Banco de Portugal 50 Mil Reis Ouro 30.1.1905 Pick 14

This variety has only the "MOEDA INSULANA" overprint. This example is heavily circulated with soiling, minor rust, and a couple of small edge splits but all of the design elements are fully legible. Unpriced at any grade in The Standard Catalog. PMG **Choice Fine Net**. (3,000-4,000)  
**Starting Bid: \$3,000**

# BAHAMAS

- 26041 **Bahamas** Government of Bahamas 4 Shillings L.1936 (1953) Sweeting/Roberts Pick 13d  
This was the last signature variety used on the early Queen Elizabeth II series notes. At center is a space for a watermark and the deeply printed design details are fully framed, with an incredibly lofty grade of PCGS **Superb Gem New 68PPQ**. This is easily the finest known example we've handled and the first Superb Gem to grace one of our auctions. (500-700)  
**Starting Bid: \$300**

## Double Signature Specimen

- 26042 **Bahamas** Government of Bahamas \$50 1965 Pick 24bs Specimen  
The Standard Catalog lists both the issued note and a Specimen form of the note with 3 signatures. This is the first we have seen of the Specimen form with just two signatures. While there is no Pick number associated with this variety, and no designation by PMG because they lack the technology to include two alpha suffixes in their system, we are using Pick 24bs. The PMG **Gem Uncirculated 66 EPQ** grade is an ideal match to the \$100 Specimen also offered here this afternoon. With regular issued examples of this colorful note topping the \$8000 mark, expect this wonderful and very rare Specimen to reach... (2,500-3,500)  
**Starting Bid: \$1,500**

## 1965 \$100 Specimen with Triple Signature

- 26043 **Bahamas** Government of Bahamas \$100 1965 Pick 25bs Specimen  
In early 2012, we sold the issued form of this note in a PMG 66 EPQ holder for more than \$11000. This piece boasts the sailfish vignette on back and three signatures. The Standard Catalog mentions only a double signature Specimen for this date and denomination, so we are amending the Pick number used in this description to better describe the note beyond the PMG number which does not support a doubled alpha suffix. However, on the back of the holder, the appropriately identified the variety as a "Triple Signature". A well margined and colorful PMG **Gem Uncirculated 66 EPQ**. (2,500-3,500)  
**Starting Bid: \$1,500**

- 26044 **Bahamas** Monetary Authority 1/2 Dollar 1968 Pick 26a  
A search of our archives show that the lone finest graded example of this number that we have offered was a PMG 66 EPQ that sold for more than \$150 early last year. We would expect that number will be blown out of the water this afternoon. PCGS **Superb Gem 68PPQ**. (400-600)  
**Starting Bid: \$240**

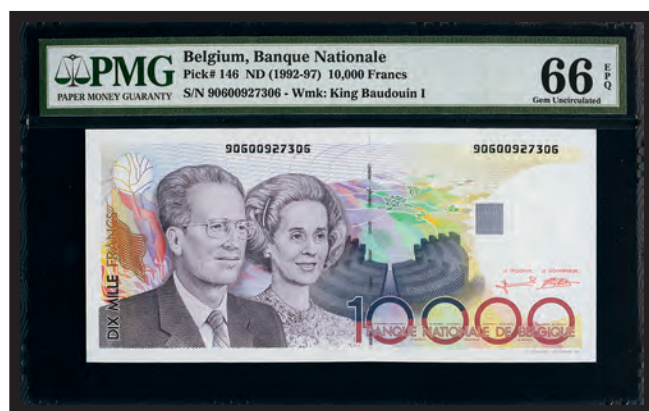

- 26045 **Bahamas Central Bank \$1 1974 Pick 35a Four Examples**  
The "Aquarium" design on back as it is commonly referred to is one of the most intricate and colorful designs on world paper money. We have yet to offer this note in Superb Gem let alone a wonderful run of four examples. With prices for 66's even topping \$175, we can see a realization here for this PMG **Superb Gem Unc 67 EPQ** quartet in the neighborhood of... (Total: 4 notes) (700-900)  
**Starting Bid: \$413**

### Vibrant Bahamian Specimen

- 26046 **Bahamas Central Bank \$100 1974 Pick 41s Specimen**

**Starting Bid: \$1,800**

- 26047 **Belgian Congo Banque Centrale du Congo Belge et du Ruanda-Urundi 20 Francs 1.8.1957 Pick 31**  
The Ruth Hill example of this Pick number topped the \$180 mark at auction last year but was only graded Gem 65 PPQ by PCGS. We'd expect this perfectly margined and vibrant PMG **Superb Gem Unc 67 EPQ** to realize well more than that since it sits alone atop the population report at PMG. (400-600)  
**Starting Bid: \$240**

- 26048 **Belgium Banque Nationale de Belgique 10,000 Frank ND (1992-97) Pick 146**

A simply lovely note that is a fully margined and vividly colored example. The Ruth Hill Collection included a PCGS 66PPQ that was just a couple dollars from the \$2000 mark. As a higher grade and registry set contender, we expect this piece to do even better. PCGS **Superb Gem New 67PPQ**. (2,000-2,500)  
**Starting Bid: \$1,200**

A high denomination, QEII issue that is very popular amongst British Commonwealth collectors. This purple on multicolor piece is evenly circulated with no tears, holes, soiling, or other problems. Ordinarily, not a particularly special formal grade for type, but this note has the first date of issue with the sailing ship watermark which does make it a special, highly desired item. **Starting Bid: \$350**

- 26075 **DC-1a 25¢ 1870**  
Definitely a rare Series A note even though the PMG label lists this piece as a Charlton DC-1c. This is the highest graded DC-1a note at **Choice About Unc 58 EPQ** that we have ever auctioned. (2,500-3,500)  
**Starting Bid: \$1,500**

**Starting Bid: \$1,200**

**26080 DC-11 1887 \$2.**

### Pleasing Canadian 1902 \$4 Note

26088 DC-17a \$4 1902

This is easily the scarcest of the three Charlton numbers for this denomination. Also, the DC-17a number is rare in VF condition or better according to that reference. This example grades PMG Very Fine 30 Net, stains lightened. Nonetheless it is a nice note for the grade. (3,000-4,000)

Starting Bid: \$1,800

26091 DC-21a \$5 1912

A Charlton number we have now offered just five times with this example being easily the second nicest. PMG Very Fine 25. (1,500-2,000)

Excellent color and bold, original embossing are just two of the attributes of this well preserved Princess Patricia note that is very close to the full Gem grade. PMG Choice Uncirculated 64 EPQ. (2,500-3,500)

Starting Bid: \$1,500

26095 DC-23a-ii \$1 1917

The popular "Princess Patricia" note, so named for its central vignette of the Princess, the daughter of former Governor General The Duke of Connaught. That this wartime issue portrays Princess Patricia is not surprising, as the Princess lent her name and assistance to raising a regiment named the Princess Patricia's Canadian Light Infantry, designing the regiment's colors and becoming its colonel-in-chief. An erasure and a small spot do little to distract from the overall pleasing appearance this note shows. These are quite difficult to locate in new grade. PMG Choice Uncirculated 64 Net. (1,500-2,000)

Starting Bid: \$900

26096 DC-23c \$1 1917

A high end example of the Princess Patricia note which features four wide margins, wonderful color, and deep, original embossing. Its only flaws are a light center fold and a couple of minuscule rust specks. PMG Choice About Unc 58 Net. (1,500-2,000)

## Excessively Rare &amp; Perhaps Unique 1870 Bank of Nova Scotia \$4

## 26125 Halifax, NS- The Bank of Nova Scotia \$4 July 1, 1870 Ch. # 550-16-02a

Well circulated, but perhaps the only example any collector will ever be able to obtain. The Charlton reference states on page 342 that only one example of this overprinted twice in red ink "Canada Currency" note is known to exist and that includes both collectors and institutions. The note in this lot is serial number 90587-B and grades PCGS **Apparent Good 6** with edge splits and damage; extensive restorations; and design redrawn. However it is certainly rare enough to see bidding reach or exceed... (6,500-8,500)

## Bank of Nova Scotia \$20 Printer's Models

## 26127 Halifax, NS- The Bank of Nova Scotia \$20 Nov. 1, 1897 Ch. # 550-26-02 Printer's Models

According to the Charlton guide on Canadian Bank Notes, circulating notes for the 1897 \$20 issue can be found in institutional collections only. Within this lot is a face and back printer's model. The face includes portions of the design adhered to a raised piece of wood with numerous printer's annotations seen. The back is flat on the board with similar writings seen. These are listed here without grade since they are a work in progress. A wonderful pair for the Canadian specialist. (Total: 2 notes) (4,000-6,000)

Starting Bid: \$2,400

## Bank of Nova Scotia 1898 \$5 Printer's Models

## 26128 Halifax, NS- The Bank of Nova Scotia \$5 Jan. 3, 1898 Ch. # 550-28-04 Printer's Models

Another example of a note in the pre-approval process stage prior to implementation as circulating currency. Both the face and back are offered without grade as the model of the face is missing a few design elements, while the back is near perfect. Both are adhered to cardboard that looks to be a combination of wood and paper. Both pieces exhibit several printer's annotations. This note is quite scarce as a regular issue. (Total: 2 notes) (4,000-6,000)

Starting Bid: \$2,400

The black and white face which depicts a farm scene is graded PMG **Gem Uncirculated 66 EPQ** and the back has been graded PMG **Superb Gem Unc 67 EPQ**. Both are mounted on card stock with pencilled annotations on the back. (1,200-1,700)

26135 Hamilton, ON - Bank of Hamilton \$25 Mar. 1, 1922 Ch. 345-22-06P Face Proof

A colorful face proof of an odd denomination from this bank's "Jubilee Issue" of 1922. The jubilee was to celebrate this bank's 50th anniversary. The Net grade is for a pencilled printer's annotation on the back, a missing corner tip, and a tear. It is a pretty example grading PMG Choice About Unc 58 Net. (700-900)

Starting Bid: \$413

26133 Hamilton, LC- The Bank of Hamilton \$20 June 1, 1892 Ch. # 345-16-06S Specimen

There is only one known issued note of this Charlton number and it is in an institutional collection. Therefore, hard to obtain specimens are your only recourse. The back label tells us of "as made paper aberrations" which are the pre-printing paper crinkles found on the note. This specimen has five small punched "Ws" for the printer of this piece, Western Bank Note Company and 2 POC. PMG About Uncirculated 50 EPQ. (2,000-3,000)

Starting Bid: \$1,200

Only a total of nine issued 1898 notes are listed for this bank in the 2009 Canadian Paper Money Society *Note Registry*. Those nine notes are of the \$5 and \$10 denominations. Therefore, the needs of collectors are satisfied only with proofs and specimens for the \$20, \$50, and \$100 denominations. This uniface proof grades PMG Choice Uncirculated 63 Net, POC, previously mounted. (2,000-3,000)

Starting Bid: \$1,200

26138 Montreal, PQ- Bank of Montreal \$1 Jan. 1, 1849 Ch. # 505-20-06-02

An extremely rare early Bank of Montreal issue which we have not ever offered previously. It is well but evenly circulated, and problem free for the grade, which appears quite conservative, as the colors and body are excellent and the note is fully intact. PCGS Good 6. (1,750-2,750)

Starting Bid: \$1,050

26139 Montreal, PQ- Bank of Montreal \$10 Jan. 2, 1923 Ch. # 505-56-04

Starting Bid: \$750

## Moose Jaw, Saskatchewan Proofs

- 26142 **Moose Jaw, SK- The Bank of Saskatchewan \$5 May 1, 1913 Ch. # 680-10-06P Face and Back Proofs**  
 A rare bank that never activated its charter and therefore only proofs are known. These proofs were printed by ABNCo Ottawa and the vignettes show Saskatchewan as an agriculture rich province. A pair of pretty proofs with the face grading PMG **Apparent Choice About New 55**, POC with small tears, repairs, and a replaced upper left corner. The back grades **Very Choice New 64PPQ**. (Total: 2 notes) (4,000-6,000)  
**Starting Bid: \$2,400**

A pair of high grade proofs that are housed in a PMG multi-note holder. The face and back have respectively earned grades of **Superb Gem Unc 67 EPQ**, 2 POC and **Gem Uncirculated 66 EPQ**, 2 POC. The 2013 Canadian Paper Money Society *Note Registry* lists only two examples of this number in issued form. This simple fact will provide even more incentive for collectors to ponder the acquisition of these beautiful proofs. (2,000-3,000) **Starting Bid: \$1,200**

### Gem 65 EPQ La Banque Nationale 1897 \$5

26144 Quebec City, PQ- La Banque Nationale \$5 Jan. 2, 1897 Ch. # 510-20-02

A scarce note especially so in this lofty state of preservation. The two "PAID" perforation cancellations do not take away from this note's desirability. A check of the PMG population report confirms this is the finest known for the Charlton number by 40 grade points. **Gem Uncirculated 65 EPQ. (1,500-2,000) Starting Bid: \$900**

## Yukon Overprint 1892 \$5

## 26145 Toronto, ON- The Canadian Bank of Commerce \$5 January 2, 1892 Ch # 75-14-04c Yukon Overprint

Few words are more apt to describe the rarity of this note, other than the word "Yukon." This note is one of the greatest rarities in the field of Canadian chartered banks and certainly integral to the development of the Canadian frontier over 120 years ago. The Yukon Territory was the entry point from Canada for the Klondike Gold Rush in neighboring Alaska. The sudden gold rush atmosphere caused a shortage of circulating currency and banknotes such as this one changed hands frequently. We had a PMG Fine 12 example close at \$12,650 in January 2011. We would not be surprised if this PMG **Very Good 8 Net** example realized almost that much tonight. The Net grade is for rust which is minuscule. (5,000-8,000)

Starting Bid: \$3,000

## 26146 Toronto, ON- The Canadian Bank of Commerce \$20 Jan. 2, 1917 Ch. # 75-16-04-20a

A PCGS **Very Fine 20PPQ** example of a note with one of our favorite vignettes. (600-800)

Starting Bid: \$350

## 26147 Toronto, ON- The Canadian Bank of Commerce \$10 Jan. 2, 1935 Ch. # 75-18-06

A deeply inked example from this long-lived Toronto bank that opened its doors in 1873 and a note that is only held back in grade by its margins. PMG **Choice Uncirculated 63**. (750-1,000)

Starting Bid: \$450

**26148 Toronto, ON- The Dominion Bank \$10 July 1, 1898 Ch. # 220-14-04P Face and Back Proofs**

Issued notes for this number are found only in institutional collections according to Charlton. Therefore adding proofs to one's collection is the only feasible way to check them off your want list. Both proofs in this lot are housed in a PMG two note holder and grade **Choice Uncirculated 64 Net**. The black and white face has been cancelled with two purple rubber stampings and a pen. The green and white back was cancelled with a long vertical pencil mark. The net grades for both are due to being previously mounted, internal damage, and annotations. These foibles are common for proofs. (1,000-1,500)

**Starting Bid: \$600**

**26149 Toronto, ON- The Dominion Bank \$10 Jan. 3, 1938 Ch. # 220-28-04**

A design we have always liked due to the back with a map of Canada that displays a multitude of rivers and lakes. January 3 was the first business day of the new year as January 1 was on a Saturday for 1938. Nice margins and color are found on this well preserved example. PMG **Choice Uncirculated 64**. (900-1,200)

**Starting Bid: \$525**

## Metropolitan Bank Proofs

**26150 Toronto, ON- The Metropolitan Bank \$20 Nov. 5, 1902 Ch. # 485-10-16FP/BP Face and Back Proofs**

Charlton states that there are no known issued notes for this number which puts added pressure on the few proofs in existence. The face has a great street car vignette and on the card stock only are approval signatures, initials, and dates. The back has penned in red ink across the top margin, "This color selected for back of \$100 note - May 26/03 JAM RTO." Both proofs are in a PMG two note holder. The face grades **Choice Uncirculated 63**, pinholes and the back an **Uncirculated 62**, pinholes. Also, the face has a POC and the back has four small heart-shaped cancels. (4,000-6,000)

**Starting Bid: \$2,400**

26151 Toronto, ON- The Sterling Bank of Canada \$5 Apr. 25, 1906 Ch. # 700-10-02P Face/Back Proofs

A pair of beautiful British American Bank Note Company proofs in a PMG two note holder. Each proof has 2 POC. The face grades **Choice Uncirculated 64 EPQ** and the back grades **Choice Uncirculated 64**. The grading service further states on the back label of each proof that the note is unaffected by issues of the cardstock. (1,000-1,500)

Starting Bid: \$600

26152 Toronto, ON- The Traders Bank of Canada \$5 Jan. 2, 1909 Ch. # 720-16-02P Face and Back Proofs

A proof duo of a number in which there are no known issued notes. Also, the entire 1909 issue has only two known issued notes and one of those is in an institutional collection according to the 2013 Canadian Paper Money Society *Note Registry*. This charming pair calls a PMG two note holder home. The face is **Choice Uncirculated 63** and the back which is cut along the main design elements is a **Choice Uncirculated 64 EPQ**. (1,500-2,000)

Starting Bid: \$900

26153 Toronto, ON- The Traders Bank of Canada \$5 Nov. 1, 1910 Ch. # 720-18-02P Face Proof

Starting Bid: \$600

26154 **Winnipeg, MB- Union Bank of Canada \$5 July 1, 1912 Ch. # 730-16-04a**

This bank was organized and commenced business in Quebec City, but in 1912 moved its head office to Winnipeg. This green tinted note was the first design issued from the bank's new Winnipeg headquarters. PMG has graded this example **Very Fine 25 Net**, with just some minor staining seen in the top margin on the back. (1,500-2,000)

**Starting Bid: \$900**

## Strikingly High Grade Ming Dynasty Note

## 26169 China Empire Ming Dynasty 1 Kuan 1368-99 Pick AA10 S/M T36-20

This was not the first banknote to be issued, but definitely close enough. In fact, the starting date for the Standard Catalog, 1368, refers to this note. These mulberry-charcoal based notes were issued during the reign of the Hongwu Emperor, the first emperor of the Great Ming, and were based on notes issued by the Great Yuan and used to replenish government coffers after the overthrow of the Yuan.

The stipulations in the bottom half of the note authorizes that the note is as good as copper coin, and provides a warning of execution for the counterfeiter as well as the reward of 250 taels of silver along with counterfeiter's assets to the accuser.

This cataloger is unaware of any notes of this type that can rival this note in terms of condition. The SCWPM reference does not list any values for Ming notes past Extremely Fine. For a note to be in About Uncirculated condition six centuries after its issue is almost inconceivable. PMG's mention of "minor corner damage" on the holder seems a bit trivial when one considers this note's history. Had this note not been Net graded for that reason, one can only wonder the grade this remarkable piece could have received. A fascinating piece of history. PMG **About Uncirculated 50 Net.** (10,000-15,000)

**Starting Bid: \$6,000**

- 26170 **China** Ch'ing Dynasty 2000 Cash Year 4 (1854) Pick A4b

- 26174 **China** China & South Sea Bank Ltd. 10 Yuan 1927 Pick A129  
Though this ought to be considered a private bank, its popularity was well known enough to be included in the early versions of the Standard Catalog. The five women represent the five dominant races of China: Han, Manchu, Mongols, Hui, and Tibetan. Extremely scarce as an issued note, this is only the second example we have had the opportunity to offer. This example is the nicer of the two. The first edition of the 5 Yuan from the second series of RMB notes, commonly known as the "Red 5." - 26342 **India** Reserve Bank of India 100 Rupees ND (1943) Pick 20b

A lightly handled example of an earlier signature variety from Bombay, with an excellent and appealing look. Staple holes are observed in the margins, with no spindle holes in the watermark area. PMG **Choice Extremely Fine 45 Net**, with a couple of minor specks in the right margin on the back. (600-800)

**Starting Bid: \$350**

- 26343 **India** Reserve Bank of India 100 Rupees ND (1943) Calcutta Pick 20e Jhun4.7.2B

The last in a trio of consecutive notes. This last note has a significantly better look with clean paper and stronger embossing that can be seen from the back. PMG **About Uncirculated 55**, staple holes at issue, spindle hole. (1,500-2,000)

**Starting Bid: \$900**

- 26344 **India** Reserve Bank of India 100 Rupees ND (1943) Calcutta Pick 20e Jhun4.7.2B

The second of three consecutive notes. The branch system of the RBI is similar to our Federal Reserve System today, where banknotes are issued by a regional bank, but could be used and redeemed anywhere in the country. PMG **About Uncirculated 55**, staple holes at issue and spindle hole. (1,500-2,000)

**Starting Bid: \$900**

- 26345 **India** Reserve Bank of India 100 Rupees ND (1943) Calcutta Pick 20e Jhun4.7.2B

The first of three consecutive notes with absolutely outstanding appeal. Another consecutive trio similar to this one in PMG **About Uncirculated 55 EPQ** sold in our January 2013 FUN auction for more than \$1,800 each. PMG **About Uncirculated 55**, staple holes at issue and spindle hole. (1,500-2,000)

**Starting Bid: \$900**

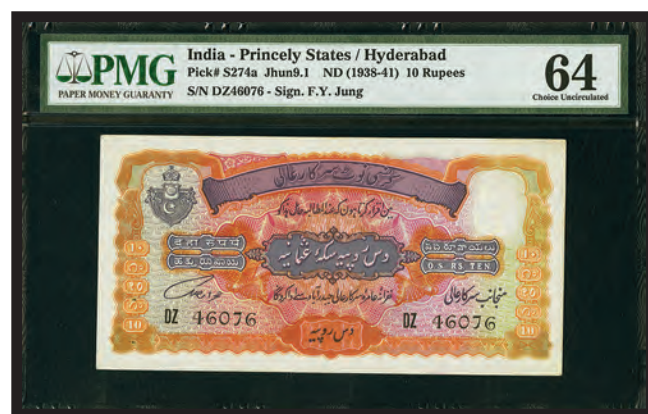

- 26346 **India** The Reserve Bank of India 100 ND (1943) Pick 20e Jhunhunwalla-Razack 4.7.2B

**Starting Bid: \$900**

- 26347 **India** The Reserve Bank of India 100 ND (1943) Pick 20e Jhunhunwalla-Razack 4.7.2B  
We are fortunate to have quite a selection of these always popular 100 Rupee notes in high grade in this sale. This pretty note is just as nice as the others. PCGS **About New 53**, staple holes at issue and spindle hole. (1,500-2,000)  
**Starting Bid: \$900**

- 26348 **India** Persian Gulf Issue 1 Rupee ND (1959-70) Pick R1 Jhunhunwalla-Razack 6.12.1.1  
This PMG **Superb Gem Unc 67 EPQ** is far and away nicer than the PMG 65 EPQ that we sold in late 2013 for nearly \$650. It is perfectly margined, boldly embossed and exhibits the usual spindle holes. (800-1,200)  
**Starting Bid: \$475**

- 26349 **India** Princely States Hyderabad 10 Rupees ND (1938-41) Pick S274a Jhun9.1  
A very well preserved example of a higher denomination note from the formerly independent state in the heart of India. PMG **Choice Uncirculated 64**. (600-800)

- 26351 **Iran Bank Melli 500 Rials ND (1944) Pick 45**  
Reza Shah Pahlavi was forced to abdicate in favor of Crown Prince Mohammad Reza Pahlavi after the Anglo-Soviet invasion of Iran in the late summer of 1941. The latter's portrait adorns this PMG **Choice Uncirculated 64** note that gives the impression of a higher grade. (1,500-2,000)  
**Starting Bid: \$900**

- 26352 **Iran Bank Melli 500 Rials ND (1944) Pick 45**  
The goal of the Anglo-Soviet invasion of Iran was the securing of the Persian Corridor for the shipment of British and American aid to the Soviet Union during World War Two. Scrutiny of this PMG **About Uncirculated 55** note does not find the minor handling, but instead embossing of the upper serial numbers and the Persian writing at top center is observed. (800-1,100)  
**Starting Bid: \$475**

## Iran 5 Tomans on German 20 Mark

- 26353 **Iran German Treasury 5 Tomans on 20 Mark (1916-17) Pick M3**  
A German 19.2.1914 20 Mark Pick 46 (the Germany Pick 40 number is incorrect on the third party label) with the denomination 5 Tomans in Persian overprinted in red ink on both sides. This scarce overprinted issue was used by Turkish and German military forces in Mesopotamia and the Middle East during World War One. This example has the proper serial number prefix and other characteristics of an authentic note in contrast to the many counterfeits on the market. It also lacks the usual burn damage found on these. Our scrutiny comes to the conclusion that this is certainly a superior note for the grade of PMG **About Uncirculated 50 EPQ**. We had a PCGS Apparent VF 20 with stains and an edge split realize \$1,057.50 last September. This much higher grade example will easily shoot pass that figure. (2,500-3,500)  
**Starting Bid: \$1,500**

- 26354 **Ireland The Bank of Ireland £5 6.5. (19)29 Pick 9a**

Four different dates are found on Pick 15a notes. This note carries the first date. PMG **Choice Fine 15 Net**, splits, rust, and discoloration, with the rust being minor. (500-700)  
**Starting Bid: \$300**

- 26356 **Ireland The Provincial Bank of Ireland £5 3.4.(19)39 Pick 39c**  
The Irish private bank issues limped into 1941, but World War Two provided the impetus to abandon this money issuing program. This note has the first of two dates for Pick 39c. The Net grade is for discoloration and annotation. The annotation is pencil writing in the back upper right corner. PMG **Very Fine 20 Net**. (500-700)  
**Starting Bid: \$300**

- 26357 **Ireland - Eire The Ulster Bank Limited £1 28.1.1939 Pick 50b**  
A pleasing mid-grade example of an early £1 note from the commercial bank that issues Northern Irish pound notes to this day. The paper is solid on this evenly circulated PMG **Very Fine 20 Net** piece that has only a few minor rust specks on its back. (700-900)  
**Starting Bid: \$413**

- 26358 **Ireland - Republic Central Bank of Ireland £100 4.4.1977 Pick 69c**  
A widely margined and pack fresh Irish note that bears the last date of issue for the 100 Pound Lavery note. This is easily the finest example that we have ever offered of this issue. PMG **Gem Uncirculated 66 EPQ**. (1,500-2,000)  
**Starting Bid: \$900**

- 26359 **Ireland Provincial Bank of Ireland £5 ND (1826-37) Pick 283p Proof**  
A rare note in issued or proof form. The Net grade is for a foreign substance and being stained. This is due to once being mounted which is very common for proofs. PMG **Uncirculated 62 Net** (1,000-1,500)  
**Starting Bid: \$600**

**26360 Ireland** Irish Republic \$5-\$5-\$5 17.3.1866 Pick S101 Uncut Strip of 3

The Continental Bank Note Company was contracted by the O'Mahony wing of the Fenian Brotherhood to print this iconic issue. The vignette at left shows an American soldier picking up a sword for *Erin*, who points to a distant lighthouse while an Irish wolfhound sits attentively at her feet. The portrait at right is of Theobald Wolfe Tone, the father of Irish republicanism. Bordering the face design of the note are the names of the Irish counties. *Paper Money of Ireland* by Blake, Callaway, and West does not list prices in this denomination above Fine. This uncut strip of B-C-D notes grades PMG **About Uncirculated 53**. The nicest example of this number that we ever offered previously was at our Memphis 2010 auction. That night saw us auction a single S101 graded PMG 55 EPQ for \$977. (2,500-3,500)  
**Starting Bid: \$1,500**

**26361 Italian Somaliland** Cassa Circolazione Monetaria 10 Somali 1950 Pick 13a

A rare note that has realized right around \$1,500 in our previous auctions. This is a well preserved piece checking in at PMG **Choice Uncirculated 64** with some very minor stains. (1,500-2,000)  
**Starting Bid: \$900**

**26362 Italy** Banca D'Italia 500 Lire 6.6.1929 Pick 51b

A lightly circulated example of this large format Italian note whose main vignette on the face is that of a bare breasted woman holding a sheaf of grain and a sickle. Wide margins surround this colorful PMG **Choice Very Fine 35** note. (500-700)  
**Starting Bid: \$300**

## QEII Jamaica 5 Pounds - A Condition Rarity

## 26363 Jamaica Bank of Jamaica 5 Pounds 1960 Pick 52b

A spectacular, pristine 1964 QEII 5 Pound note that has everything going for it. It is the rarest signature variety with all Roman numerical serial numbers and it is a totally original, well embossed gem piece. This QEII type 5 pound note is considerably scarcer in Uncirculated condition than the larger size 1960 QEII 5 pound notes, Pick 48a,b. The highest grade previously recorded in the PMG report for a Pick 52a is a 58 no EPQ, and there is only one other gem for the signature series, a PMG 66 EPQ for a Pick 52c. Obviously, this is a very special note for advanced Jamaica and British Commonwealth collectors that should easily reach the estimate. PMG Gem Uncirculated 66 EPQ. (8,000-10,000)

Starting Bid: \$8,000

## Very Rare Uncirculated 1872 5 Yen Note

## 26364 Japan Constitutional Monarchy Great Japanese Government 5 Yen 1872 Pick 6

The 5 Yen denomination for the first issued notes under the Japanese Government. Black on brown with blue back. Design features two Onagadori cockerels and two facing dragons at bottom. Printed in Germany by Dondorf and Naumann. Rare in any grade but the condition of this piece is spectacular. Looks fully original Unc with no foreign substance detectable through the holder. A prize note for the advanced Japan collection. PMG **Choice Uncirculated 64 Net**, foreign substance. (6,000-8,000)

**Starting Bid: \$3,500**

## The Rarest 1873 Japan 1 Yen on the Iiyama National Bank

- 26365 **Japan** Constitutional Monarchy Great Imperial Japanese Circulating Note 1 Yen 1873 Pick 10  
 1873 "Paper Currency" Issue. First of three notes from this very popular issue printed by the Continental Banknote Co. The striking vignettes and especially the green and black backs are reminiscent of First Charter US Nationals. The 1 Yen piece here with the Samurai warrior on the right front and the vignette of the tsunami destroying the Mongols at Hakata harbor on the back is the most "common" denomination. However, this note is on the Iiyama National Bank, number 24, in the Nagano prefecture, which is the rarest of all National Banks with a capitalization of only 80,000 Yen. This cataloger has seen none before now. The note clearly displays all of the design features but does have some minor circulation problems denoted on the holder. Perhaps a unique opportunity to obtain this number for any collector trying to complete an 1873 Japan National Banknote set. PMG **Very Fine 20 Net**, paper pull, rust, split, annotations. (6,000-8,000)  
**Starting Bid: \$3,500**

- 26366 **Japan** Constitutional Monarchy Great Imperial Japanese Circulating Note 2 Yen 1873 Pick 11  
 The next denomination in the 1873 "Paper Currency" Issue, a 2 Yen note with Samurai warrior in armor on left and right, and a vignette of a castle gateway on the back. Tokyo National Bank, number 24. The rarity of this issue escalates dramatically with denomination. We sold a 2 Yen note in VF 25 NET grade for \$7,050 in September 2013. This piece is higher grade with some trivial rust marks and a couple of small worm holes and displays all the beauty of the type. PMG **Very Fine 30 Net**, rust, insect holes. (7,000-9,500)  
**Starting Bid: \$4,125**

## A Very Rare 1873 Japan 5 Yen National Banknote

## 26367 Japan Constitutional Monarchy Great Imperial Japanese Circulating Note 5 Yen 1873 Pick 13

The very rare 5 Yen denomination depicting field workers on the front and an eye catching vignette of the Nihonbashi Bridge on the back. Tokyo National Bank, number 15. This piece is problem free and shows only moderate circulation. One of the nicest examples of type available. We sold a much lower grade Fine 15 for \$32,200 back in September 2011. PMG Very Fine 30. (15,000-20,000)

Starting Bid: \$9,000

## Continental Bank Note Co. Proof for an Exceedingly Rare Japan 10 Yen Nat'l Banknote

## 26368 Japan Constitutional Monarchy Great Imperial Japanese Government Note 10 Yen 1873 Proof Pick 13Ap.

A generic 10 Yen National Banknote item. The black obverse features a Gagaku court music scene, and the bicolor green and black depicts Empress Jingu on horseback with her army approaching a beach. Simply a classic design and a great rarity in issued form. The back is as issued sans the half oval red seal overprint at the bottom, and the front lacks the blue, red and green overprints, including a bright red serial number. Given the additional right and left selva, It therefore arguably appears to be a printers proof rather than a remainder, which is indicated on the label. The note has a corner fold and some additional handling in the left selva area, and some minor discoloration on the right selva, possibly from previous mounting. PMG Choice About Unc 58. (7,000-9,500)

Starting Bid: \$4,125

About Uncirculated

## 26369 Japan Constitutional Monarchy Great Imperial Japanese Government Note 10 Yen 1883 Pick 19

A very nice example of the highest denomination 10 Yen note with portrait of Princess Jingu at right. Black and tan on brown underprint obverse, and grey back with ornate denomination and a red seal. Much rarer than the 1 Yen note and seldom offered in any grade. This one is a high grade piece with only the hint of a centerfold through the holder. The noted minor stains are mostly obscured by the brown underprint. We sold a much inferior VF 25 NET for \$4,600 in September, 2011. PMG About Uncirculated 55 Net, stains. (10,000-15,000)

## 26370 Japan Great Imperial Japanese National Bank 1 Yen 1877 Pick 20

A extraordinarily bright, clean colorful example of the 1877 issue depicting two contemporary Japanese sailors on the left of the obverse. Serial number 195264. The dark green back has a charming vignette of Ebisu, the god of household thrift and industry. The note shows much better than its formal grade and any retouching is impossible to detect through the holder. A simply gorgeous piece for type. PMG Very Fine 25 Net, retouched. (2,000-3,000)

Starting Bid: \$1,200

## 26371 Japan Great Imperial Japanese National Bank 1 Yen 1877 Pick 20

A second example of the 1877 1 Pound note with serial number 725494. This one has the same formal grade as the previous lot note, but it is not as bright and clearly shows signs of circulation with soiled fold lines, particularly on the back. The location of any repairs is not evident upon viewing through the holder. Overall, a better than average example of this scarce note. PMG Very Fine 25 Net, repaired. (1,000-1,500)

Starting Bid: \$600

- 26372 **Japan** Great Imperial Japanese National Bank 1 Yen 1877 Pick 20  
A third, well circulated example of the 1877 issue. Serial number 057730. Light soiling and several folds are evident and there is a small piece of the bottom margin missing. Still, a collectible example of this scarce 1877 issue. PMG **Choice Fine 15 Net**, piece missing, paper pull. (500-750)  
**Starting Bid: \$300**

- 26374 **Japan** Great Imperial Japanese National Bank 5 Yen 1878 Pick 21  
A second, lovely example of the 5 Yen 1878 issue. Serial number 217351. This one has crisp, original paper except for the two unobtrusive worm holes in the center. The bright color and fine engravings illustrate the overall beauty of the design. PMG **Very Fine 30 Net**, insect holes. (3,500-4,500)  
**Starting Bid: \$2,100**

- 26373 **Japan** Great Imperial Japanese National Bank 5 Yen 1878 Pick 21  
A clean, problem free example of the second, higher denomination note from the 1877-78 issue depicting three blacksmiths at the right. Serial number 217351. A rare note in any grade and this one is far above average. This is some slight uniform paper aging which does not distract from the beauty of the note. PMG **Very Fine 30**. (4,000-5,000)  
**Starting Bid: \$2,400**

- 26375 **Japan** Great Imperial Japanese National Bank 5 Yen 1878 Pick 21  
A third attractive example of the 5 yen 1878 issue. Serial number 606890. Slightly more circulated than the previous two but still clean and crisp. Interestingly, there also are two small worm-holes in exactly the same places as those in the previous lot, suggesting the two notes were stored together. PMG **Very Fine 25 Net**, insect holes. (3,500-4,500)  
**Starting Bid: \$2,100**

**26376 Japan Bank of Japan 5 Yen 1886 Pick 23**

1885-86 Convertible Silver Note Issue. The 1 Yen Daikoku note is frequently offered for sale, but the situation is completely different with the two higher denomination notes in this issue which rarely turn up in any grade. The 5 Yen example here, where Daikoku appears in purple on the back, is an extraordinary exception. This well embossed piece with only soft folds, light handling, and an imperceptible paper pull is one of the nicest examples seen by this cataloger.

We sold a repaired PMG 45 NET for \$3,450 in September 2011. This prize note will make a nice addition to any advanced Japan collection. PMG **Choice Very Fine 35 Net**, paper pull. (4,000-5,000)

**Starting Bid: \$2,400**

**26377 Japan Bank of Japan 1 Yen ND (1889) Pick 26**

The nicest example of this note that we have offered. The Net grade is for being retouched, which involves covering a small spot in the top margin. PMG **Choice About Unc 58 Net**. (500-700)

**Starting Bid: \$300**

## Key Japan 20 Yen Note the 1915-17 Convertible Gold Note Issue

- 26388 **Japan** Bank of Japan 20 Yen 1917 Pick 37  
1915-17 Convertible Gold Note Issue. Black on multicolor with portrait of Sugawara Michizane on right. The key 20 Yen note to the issue that is missing from most collections. Fully original and any imperfections are masked by the heavily hexagonal chain link watermark. The centering is slightly shifted left on the obverse, but overall the grade looks closer to a 65 EPQ than a PMG **Choice Uncirculated 63 EPQ**. (5,000-7,500)

## Rare 1927 200 Yen Specimen

A couple of soft vertical folds, light upper left corner folds, and an upper right corner tip fold. There seems to be no evidence for pressing or other problems, so the lack of a EPQ designation is questionable. Attractive and rare. PMG **Extremely Fine 40**. (2,000-3,000)  
**Starting Bid: \$1,200**

- 26391 **Japan Bank of Japan 20 Yen ND (1931) Pick 41a**

26392 Japan Bank of Japan 200 Yen ND (1945) Pick 43Aa

A World War Two emergency issue with a pale blue underprint that was originally lithographed to help stave off the bank panic of 1927, but was not issued at the time. However by 1945 most printing facilities had been destroyed by American bombers and there was still a need for more paper money. The government vaults were tapped in response in order to get past issues that had been stored into circulation. This example is by far the nicest that we have ever offered of this design. It is a well margined piece that is exactly 200 serial numbers removed from the plated note in Krause. Also, Pick 43Aa is not priced above XF in that reference. PMG **Choice Uncirculated 63**. (3,000-5,000)

Starting Bid: \$1,800

Embossing of the face design can be seen in the intricate design of the back. The colors are perfectly printed and the margins are fully Gem or better. A corner bump that remains far from the design may have kept this piece from a higher grade. PMG **Choice Uncirculated 64 EPQ**. (2,500-3,000)

## 26420 Mexico - Sinaloa and Sonora Revolutionary Notes Plus Supporting Documents.

El Estado Libre y Soberano de Sinaloa 5; 10 Pesos 22.2.1915 Pick S1044s; S1045s Specimens VF-XF, roulette cancelled

El Estado de Sonora 25 Centavos 1.1.1915 Pick S1069 **Fine**, once mounted with an adhesive.

Not only does this intriguing lot come with the three above notes where the two specimens are not listed in the Krause reference, there is also a treasure trove of behind the scenes missives from the printers Britton & Rey Lithographers to representatives of the Sinaloa state government plus one damaged and long ago tape repaired unsigned letter from whom we believe is a representative of the state of Sinaloa to Britton & Rey. There is also included a portion of a page from a Mexican newspaper dated April 10, 1913 with a photo of Felipe Riveros, the governor of Sinaloa, whose facsimile signature adorns the two specimen notes. The 5 Peso specimen also has on it five "corrections" made in red ink and both the 5 and 10 Peso notes have been roulette cancelled with the name of the printer. All three notes have a portrait of Mexican revolutionary Francisco Madero, the 33rd president of Mexico who was assassinated on February 22, 1913. Perhaps the earlier dated Sonora note provided the portrait of Madero that was used on the later Sinaloa notes. Overall a great lot for the student of this turbulent time in Mexican history. *There will be no returns on this lot for any reason.* (Total: 11 items) (2,000-3,000)

**Starting Bid: \$1,200**

26421 **Mongolia State Treasury 3 Dollars 1924 Pick 3r Remainder**

**Starting Bid: \$900**

26422 **Morocco Banque d'Etat 500 Francs 18.7.1949 Specimen Pick 46s**

**Starting Bid: \$350**

26423 **Morocco 50 Dirhams on 5000 Francs 23.7.1953 Pick 51**

**Starting Bid: \$475**

- 26424 **Morocco** 100 Dirhams on 10,000 Francs 28.4.1955 Pick 52  
 Bold paper wave is seen through the holder. The colorful design is boldly printed and well framed. A slight bend at upper right is all that holds this note back from a full Gem grade. PCGS **Choice About New 58PPQ**. (600-800)  
**Starting Bid: \$350**

- 26425 **Morocco** Banque d'Etat du Maroc 100 Dirhams on 10,000 Francs 1954-55 (1959) Pick 52  
 A 1959 Provisional Dirham issue. A highly collected, multi-colored classic French style banknote with a splendid detailed view of the city of Casablanca in the mid 1950s. This and its companion 50 Dirhams/5000 Francs note are increasingly strong sellers and always in demand. This piece has a couple of centerfolds and other light handling, but is a nice original example for the collector who does not wish to put out \$1,500 for a Gem Unc. PCGS **Extremely Fine 40PPQ**. (600-800)  
**Starting Bid: \$350**

- 26426 **Nepal Central Bank 5 - 1000 Rupees ND (2002) Specimens.**

**Starting Bid: \$600**

- 26427 **Netherlands** De Nederlandsche Bank 50 Gulden 6.5.1931 Pick 47  
 Very rarely is this design seen and especially so in this grade. An attractive note which was printed on thin paper and very susceptible to handling. No pinholes or other defects are seen on this piece that rightfully earned its PMG **Extremely Fine 40 EPQ** grade. (600-900)  
**Starting Bid: \$350**

- 26428 **Netherlands** De Nederlandsche Bank 50 Gulden 22.2.1941 Pick 58  
 A new design that was printed during the Nazi occupation. Note quality remained high and issues were honored after the war. However uncirculated examples of the higher denominations were generally not saved as the Krause values extend only up to XF. PMG **Choice Uncirculated 64 EPQ**. (500-700)  
**Starting Bid: \$300**

# NETHERLANDS

- 26429 **Netherlands** De Nederlandsche Bank 50 Gulden 7.5.1945 Pick 78

**Starting Bid: \$450**

- 26430 **Netherlands Indies** De Javasche Bank 5 Gulden 5.8.1939 Pick 78c  
Previous to this offering, the highest grade example of the Pick number that we have offered was a PMG 64 sold in April of last year for more than \$280. This grade is far more desirable as a Gem and bearing the coveted Exceptional Paper Quality descriptor. PMG **Gem Uncirculated 66 EPQ**. (400-600)  
**Starting Bid: \$240**

- 26431 **Netherlands Indies** De Javasche Bank 50 Gulden 12.5.1938 Pick 81

**Starting Bid: \$700**

Starting Bid: \$350

- 26437 New Zealand Reserve Bank of New Zealand \$10 ND (1981-92)

Starting Bid: \$525

- 26441 **New Zealand** Union Bank of Australia Limited £1 1.10.1923 Pick 372a  
A very rare issued note from this private New Zealand bank and the first example to ever appear in one of our auctions. It is also from the last series of notes released by the bank, where many of its issued examples are unpriced in the Krause catalog. Even wear and nice color are the traits of this well margined PMG **Very Fine 25** £1 note. (2,000-3,000)  
**Starting Bid: \$1,200**

- 26442 **Oman** Oman Currency Board 10 Rials Saidi ND (1970) Pick 6a  
In our 2012 September Long Beach Signature Auction, we featured a PMG 66 EPQ graded example of this Pick number for more than \$580. The condition here is incredible and as a PMG **Superb Gem Unc 67 EPQ**, expect a realization in the range of... (800-1,000)  
**Starting Bid: \$475**

- 26443 **Oman** Central Bank 20 Rials ND (1977) Pick 20a  
Fully margined with exceptional colors. With a near-superb grade, the realization here may surprise many. PMG **Gem Uncirculated 66 EPQ**. (500-750)  
**Starting Bid: \$300**

- 26444 **Oman** Central Bank 50 Rials Commemorative 2010 Pick 47\*  
Replacement notes for Oman began in 1995. Their identifier is an Arabic letter over a "99" prefix denominator. This is also one of the earliest issued "hybrid" notes as it uses both Giesecke and Devrient's Varifeye technology. PMG **Gem Uncirculated 65 EPQ**. (400-600)  
**Starting Bid: \$240**

- 26445 **Palestine** Currency Board 500 Mils 20.4.1939 Pick 6c  
A Palestine 500 Mils Short Snorter with multiple Arabic and English signatures in the margins. First one of these that this cataloger has seen. The paper looks fresh and crisp, and there appears to be only a centerfold. Certainly an interesting novelty item. PMG **About Uncirculated 50 Net**. (500-750)  
**Starting Bid: \$300**

- 26446 **Palestine Currency Board 1 Pound 30.9.1929 Pick 7b**  
A problem free 1 Pound note from the scarce 1929 issue. Since the 1929 issue was tied to the gold standard, these notes had favored status until the standard was suspended in 1931. Attrition took a heavy toll on the issues and the survivors do not often show up in decent condition. Ex-Ruth W. Hill. PCGS **Very Fine 25**. (700-900)  
**Starting Bid: \$413**

- 26447 **Palestine Currency Board 1 Pounds 20.4.1939 Pick 7c**  
A fully original, bright note with a horizontal, corner and three vertical folds but with a small ink stain on the back that has bled through to the front. The most common date for the 1 pound note but still a nice collectible grade. Prefix Z. PMG **Very Fine 30 Net, ink**. (500-750)  
**Starting Bid: \$300**

- 26448 **Panama Banco Central de Emisión 1 Balboa 1941 Pick 22a**  
This is the fabled Arias or Seven Days Note that was legal tender in Panama only from October 2 to October 9, 1941. The anti-American President Dr. Arnulfo Arias took a trip to Cuba on October 9th to visit his paramour. This trip was not authorized by the National Assembly and the National Assembly ousted Dr. Arias from power. All notes that had not been issued during the previous week would have an upcoming engagement with the incinerator. These acts created a Latin American rarity. PMG **Very Fine 25 Net**, rust, surface repairs. (1,000-1,500)  
**Starting Bid: \$600**

### Rare 1903 Philippines 10 Pesos

- 26449 **Philippines Philippine Islands 10 Pesos 1903 Pick 27A**  
A rare note with this being the first example to participate in any of our auctions. This Pick number has the vertical overprint left of the portrait reading, "Subject to the provisions of the / Act of Congress approved / June 23, 1906." Krause values this note in only two grades and those are \$1,500 in Good and \$3,250 in Fine. The note in this lot grades PCGS **Apparent About New 50**, bottom edge damage and stains. Nonetheless, this does not affect the rarity of this note. (5,000-8,000)  
**Starting Bid: \$3,000**

- 26450 **Philippines Two Different 1 Peso Notes PMG Graded.**  
Philippine National Bank 1 Peso 1921 Pick 51 **Choice Very Fine 35**  
Treasury Certificate 1 Peso 1918 Pick 60b **Choice Extremely Fine 45**. (Total: 2 notes) (700-900)  
**Starting Bid: \$413**

- 26451 **Philippines Treasury Certificate 20 Pesos 1929 Pick 77**  
Mount Mayon depicted at front center. Only 502,000 of this type were printed, making this type one of the most challenging pieces in the series to acquire. Though some issues are listed by PCGS, such as rust stains, a small edge tear, and a small paper scuff, this example retains considerable sharpness and eye appeal. PCGS **Fine 15 Apparent**. (500-750)  
**Starting Bid: \$300**

- 26452 **Philippines Treasury Certificate Victory Issue 10 Pesos 1944 Replacement Pick 97 MWR-RH15**  
The 1944 Victory Series 66 \$10 note with the portrait of Washington at the left. Dark brown back overprinted "VICTORY" in black. Cute serial number. A fairly common note but rare as a replacement. An Unc catalogs for \$1500 in Mehilba, which is over ten times the Standard Catalog price for a non-replacement Unc. This piece has nearly perfect centering front and back, and it is hard to see any problems when carefully viewed through the holder. No folds stand out upon candling or surface illumination. The formal grade seems unduly harsh. PCGS **Choice About New 55**. (1,000-1,500)  
**Starting Bid: \$600**

- 26453 **Philippines Treasury Certificate Victory Issue 100 Pesos ND (1944) Pick 100a**  
In April of last year, we sold the Ruth Hill example of the 100 Peso, Pick 100c for \$1645 in a PCGS 63PPQ holder. Not only is this a more common signature variety, it also doesn't hold a candle to this original and well embossed Gem. To date, a finer example of this denomination has not been graded at PMG for the issue. PMG **Gem Uncirculated 65 EPQ**. The price realized here would not surprise us if it surpassed... (2,500-3,500)  
**Starting Bid: \$1,500**

- 26454 **Philippines Treasury Certificate Victory Issue 100 Pesos ND (1944) Pick 100c**  
As a point of reference, we mentioned a Pick 100c in our previous description. That piece, a 63PPQ realized \$1645 early last year. This piece, a population report topping (tied for finest) PMG **Gem Uncirculated 65 EPQ** should easily sail past that price. (2,000-3,000)  
**Starting Bid: \$1,200**

- 26455 **Philippines Treasury Certificate Victory Issue 100 Pesos ND (1944) Pick 100c**  
A lovely Victory C-Note depicting Magellan at left. Small paper scuffs at right, and some pinholes at left. The "minor stains" mentioned by PCGS, though, are exceptionally minor. PCGS **Apparent Choice About New 55**. (750-1,250)  
**Starting Bid: \$450**

**Alves Reis - Waterlow Scandal Note**

**26485 Portugal Banco de Portugal 500 Escudos 17.11.1922 Pick 130**

A note whose history is so dubious an entire book has been written about its existence. Portuguese criminal Arthur Alves Reis was able to acquire 200,000 of these 500 Escudos notes (a total face value of 100 million Escudos) from Waterlow and Sons, Ltd. through forgery and deceit, conspiring with several accomplices to convince Waterlow that they were in fact working on a "confidential mission" for the Governors of the Banco de Portugal. This scheme, still unparalleled in scope, made Reis a very rich man until his ultimate capture in 1925. At the time of his capture, Reis was only 28 years old. ## Exceptionally Rare Portuguese 50 Rupias Specimen with Type I Seal

### 26506 Portuguese India Banco Nacional Ultramarino 50 Rupias 1.1.1906 SPECIMEN Pick 18s

The first variety of the highest denomination 50 Rupias specimen. Black on gold and violet underprint obverse. Type I seal with red serial numbers 0001 to 05000. Number 00000 in counterfoil. No printer's annotations. A strikingly beautiful example of the engravers' art. Perforated "Cancelled". Seldom offered as a specimen and elusive in issued form. Except for some possible mounting residue on the counterfoil edge and a few unobtrusive flyspecks of ink, the piece looks totally original. Very conservatively graded PMG **Choice Uncirculated 64 Net**. (6,000-8,000) Starting Bid: \$6,000

## Exceptionally Rare Portuguese India 50 Rupias Specimen with Type III Seal

### 26507 Portuguese India Banco Nacional Ultramarino 50 Rupias 1.1.1906 SPECIMEN Pick 18As

The second variety of the 50 Rupias specimen identical in design to the previous lot except for the Type III seal. Serial numbers 00000 to 29000, and number 24001 in the counterfoil. Printer's annotation "15.3.20." date in ink on upper margin. Four small staple holes and some foreign substance reside on the back of the counterfoil, and minor specks on the back margins. A most handsome rarity. PMG **Choice Uncirculated 64 Net**. (6,000-8,000) Starting Bid: \$6,000

**26508 Portuguese India Banco Nacional Ultramarino 1 Rupia 1.11.1917 Pick 21A**

A 1 Rupia note from the Nova Goa 1917 Issue. Blue and brown obverse with brown steamship seal Type III. Unlike the lower denomination notes that turn up in issued form, this is a much more difficult issued type. High grade specimens are available, but seldom is this the case for issued notes. This piece shows heavy circulation, particularly on the back, some minor stains, and some trivial edge damage. Overall, an above average example of this issued rarity. PMG **Very Fine 20 Net**. (1,200-1,500)

**Starting Bid: \$1,200**

**26509 Portuguese India Banco Nacional Ultramarino 1 Rupia Pick 23**

A very popular note depicting a tiger head in the center of a blue on gold underprint obverse. A well circulated example with some rust spots, stains and soiling, and small tears. This is the typical condition for most issued pieces and higher grades are normally found only for specimens. This issue is becoming increasingly more difficult in any form. PMG **Very Fine 20 Net**. (700-900)

**Starting Bid: \$700**

**26510 Qatar Monetary Agency 100 Riyals 1973 Pick 5a**

A bright clean first issue Qatar 100. Looks uncirculated but upon closer inspection with through the holder with a strong light, several vertical folds can be seen. A nice example for the type collector who does not want to pay a few thousand for an Unc. PCGS **Very Fine 30**. (500-750)

**Starting Bid: \$300**

**26511 Qatar Monetary Agency 500 Riyals 1973 Pick 6a**

The classic Qatar rarity hotly sought after by Middle East collectors. We sold a Gem Unc last April for \$18,800, a record price for a first issue Qatar 500 Riyals. This interesting example looks Unc at first glance from the front, but a couple of vertical folds and a corner tip fold can be seen on the back with good lighting. The edge tears and repairs reported by the third party grader are not evident, however. The paper otherwise looks original and is devoid of soiling, stains, and graffiti that are common to circulated 500 Riyals notes. In appearance this is one of the nicer notes that have come to market, and it would not be surprising for the final bid to well exceed the estimate. PCGS **Apparent Extremely Fine 40**, small edge tears and repairs. (1,500-2,500)

**Starting Bid: \$900**

**26512 Qatar and Dubai Qatar and Dubai Currency Board 10 Riyals ND (ca. 1960) Pick 3a**

A note from the only series issued by the currency union, all featuring this spartan design. Embossing remains sharp on this moderately circulated piece that has solid paper for the grade. PMG **Very Fine 30**. (800-1,000)

**Starting Bid: \$475**

- 26513 **Reunion** Bank De La Reunion 5 Francs L. 1901 (1912-44) Pick 14  
The paper is as bright and creamy as the day this note was issued. The face and back printings are deeply impressed for the issue and the margins are healthy. This PMG **Choice Uncirculated 64 EPQ** note should easily best the PCGS 58 realization of more than \$280 when we sold Ruth Hill's collection last year. (400-600)  
**Starting Bid: \$240**

- 26514 **Reunion** Caisse Centrale de la France d'Outre-Mer 10 New Francs ND (1971) Overprint on 500 Francs Pick 54b  
A note from this obscure, yet exotic, French possession island in the Indian Ocean. This example has been well preserved and the back features a scene of the dominant sugar cane industry. The embossing is enhanced by the light French banknote paper. PMG **Gem Uncirculated 66 EPQ**. (750-1,000)  
**Starting Bid: \$450**

- 26515 **Rhodesia Reserve Bank of Rhodesia** 10 Shillings 7.10.1964 Pick 24a  
Four wide margins are found on this beautiful note with a portrait of Queen Elizabeth II. We had a 65PPQ example bring \$705 last April. This higher graded piece should bring more. PCGS **Gem New 66PPQ**. (700-900)  
**Starting Bid: \$413**

- 26516 **Rhodesia** £5 1.7.1966 Pick 29a  
A bend in the left margin is all that keeps this beautiful piece from a full Gem grade. Technically it does not touch the design, which is most instances is still defined as fully Uncirculated. It also boasts the all important Exception Paper Quality descriptor. PMG **Choice About Unc 58 EPQ**. (700-900)  
**Starting Bid: \$413**

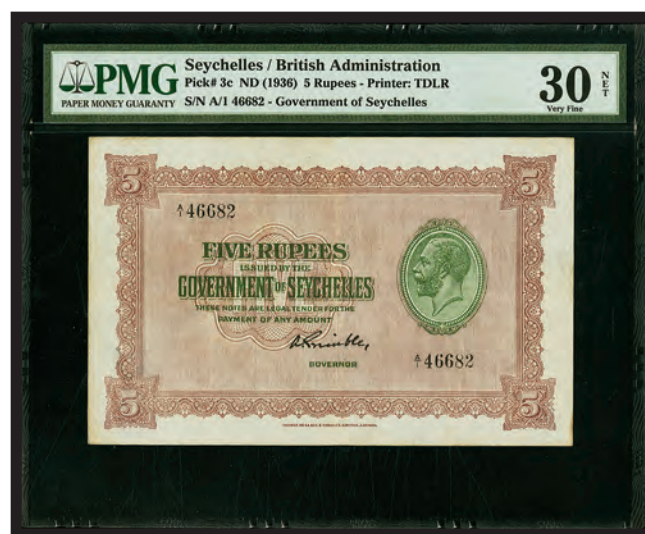

- 26517 **Saint Thomas and Prince Banco Nacional Ultramarino 50 Escudos 1.1.1921 Specimen Pick 24s**  
The oversized 50 Escudos specimen for the 1921 Issue. The higher denomination specimens are more in demand since high grade examples of the corresponding issued notes are genuine rarities. This denomination has the "SPECIMEN" overprint in blue instead of red to better stand out against the red on green obverse. Discoloration on the back from previous mounting. PMG Choice Uncirculated 64 Net. (1,500-2,000)  
Starting Bid: \$1,200

- 26518 **Saint Thomas and Prince Banco Nacional Ultramarino 100 Escudos 1.1.1921 Specimen Pick 25s**  
Specimen of the highest denomination of 100 Escudos for the 1921 Issue. Light margin discoloration from previous mounting. A handsome piece. Scarce. PMG Choice Uncirculated 64 Net. (1,200-1,500)  
Starting Bid: \$1,200

- 26519 **Saudi Arabia Monetary Agency 10 Riyals AH1372 (1953) Pick 1**  
A Haj Pilgrim Receipt issued in the 1950s. The last example to cross our auction block was a PCGS Apparent VF 30 piece from the Ruth Hill Collection which realized \$2,232.50 last April. PMG Very Fine 30 Net, repaired, foreign substance. (2,400-2,800)  
Starting Bid: \$2,000

- 26520 **Seychelles Government of Seychelles 5 Rupees 1936 Pick 3c**  
Lilac, brown and green KGV uniface note without date. Serial number A/1 46682. Horizontal and three vertical folds, with some minor discoloration along the centerfold. All early KGV Seychelles notes are rare above Fine grade, and this one will make a nice addition to an advanced British Commonwealth collection. PMG 30 Very Fine Net, ink lightened. (1,500-2,000)  
Starting Bid: \$900

- 26521 **Seychelles Government 10 Rupees 1.1.1968 Pick 15a**  
Four broad margins frame this ideal Seychelles 10 Rupees note. In the coral beneath the tortoise's rear flipper is a discernable word SCUM, just another note from the islands with a hidden message. We last sold a PMG 64 in late 2013 for more than \$550 so our estimate here may prove very conservative for the much higher PCGS Superb Gem New 67PPQ grade. (700-900)  
**Starting Bid: \$413**

- 26522 **Seychelles Government of Seychelles 50 Rupees 1.10.1970 Pick 17c**  
The three early dated 50 Rupees "Sex" notes are much scarcer, with no other examples of this 1970 dated example having passed through our auction. The Pick 17d and 17e are quite common in high grade, though the PMG population report indicates this is the finest example of the number that they have graded thus far. An attractive PMG About Uncirculated 53. (800-1,200)  
**Starting Bid: \$475**

- 26523 **Seychelles 50 Rupees 1.8.1973 Pick 17e**  
To date, we have only handled examples of this Pick number as high as AU in grade. This high grade, near-Gem example will excite Commonwealth collectors who are working on registry sets. PMG Choice Uncirculated 64. (1,000-1,500)  
**Starting Bid: \$600**

Notes of this series were printed by Bradbury Wilkinson and Thomas De La Rue which is the reason behind minor design variations which includes placements of the coat of arms and the Legal Tender clause. (Total: 3 notes) (900-1,200)  
**Starting Bid: \$525**

- 26527 **Singapore** Board of Commissioners of Currency 500 ND (1977) Pick 15a

**Starting Bid: \$600**

- 26528 **Solomon Islands** British Administration 5 Shillings 27.7.1921 Pick 1  
Any note is rare from this issue and we can hardly imagine the trials and tribulations this note went through while circulating on this distant British outpost in the Pacific Ocean. This is reflected in the values listed in the Krause reference with \$1,000 in Good and \$2,500 in Fine. PMG **Very Good 10 Net**, stained, piece missing, and foreign substance. (1,500-2,000)  
**Starting Bid: \$900**

A possibly unique printer's essay or proof of the Pick 7 issued note. Date of 1931 (1678). The red circular overprint on the front and red overprints on the hatched blue areas are missing. The existence of Proofs of the 50 Tam note was first disclosed in the book "The Tibetan Currency of China" published by the Potola Archives (2009), but we could find no record of any previous sales of a proof. The auction estimate is therefore more of a guesstimate. PMG **Choice Extremely Fine 45**. (500-750)

This ABNCo face proof earned a grade of PMG **Gem Uncirculated 66 EPQ**. (2,000-3,000)  
**Starting Bid: \$1,200**

- 26543 **Venezuela** Banco de Venezuela 20 Bolivares ND (1910) Pick S281p Face Proof

# Terms and Conditions of Auction

## Auctioneer and Auction:

1. This Auction is presented by Heritage Auctions, a d/b/a/ of Heritage Auctioneers & Galleries, Inc., or Heritage Auctions, Inc., or Heritage Numismatic Auctions, Inc., or Heritage Vintage Sports Auctions, Inc., or Currency Auctions of America, Inc., as identified with the applicable licensing information on the title page of the catalog or on the HA.com Internet site (the "Auctioneer"). The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at HA.com supersede those in the printed catalog.

## Buyer's Premium:

2. All bids are subject to a Buyer's Premium which is in addition to the placed successful bid:
- Fifteen percent (15%) on Domain Names & Intellectual Property Auction lots;
- Seventeen and one-half percent (17.5%) on Currency, US Coin, and World & Ancient Coin Auction lots, except for Gallery Auction lots as noted below;
- Nineteen and one-half percent (19.5%) on Comic, Movie Poster, Sports Collectibles, and Gallery Auction (sealed bid auctions of mostly bulk numismatic material) lots;
- Twenty-two percent (22%) on Wine Auction lots;
- For lots in all other categories not listed above, the Buyer's Premium per lot is twenty-five percent (25%) on the first \$100,000 (minimum \$14), plus twenty percent (20%) of any amount between \$100,000 and \$1,000,000, plus twelve percent (12%) of any amount over \$1,000,000.

## Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, Rare Books, Jewelry & Watches, Guitars & Musical Instruments, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins and Rare Wine). Signature® Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive! and real-time telephone bidding are available to registered clients during these auctions.

## Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

## Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of HA.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof so a credit check may be performed prior to Auctioneer's acceptance of a bid. Check writing privileges and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of criteria: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction venue.

## Bidding Options:

8. Bids in Signature, Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

The following chart governs current bidding increments  
(see [HA.com/c/ref/web-tips.zx#guidelines-increments](http://HA.com/c/ref/web-tips.zx#guidelines-increments)).

>= \$10,000,000 .....	\$500,000

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

## Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE

WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.

14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40–60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (approximately 50%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

## Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the Purchases; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, and thirty days when drawn on an international bank. Clients with pre-arranged credit status may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer, at its option, may charge a twenty (20%) restock fee on the amount of the purchase and offset the restock fee against any monies paid to the Auctioneer or against any of the purchaser's properties held by the Auctioneer.
25. Lots delivered to you, or your representative in the States of Texas, California, New York, or other states where the Auction may be held, are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. (Note: Coins are only subject to sales tax in California on invoices under \$1,500, and there is no sales tax on coins in Texas.) Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if assigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.

# Terms and Conditions of Auction

30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). In addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession..

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

## **Delivery; Shipping; and Handling Charges:**

32. Buyer is liable for shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer.

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.

34. All shipping charges will be borne by the successful Bidder. On all domestic shipments, any risk of loss during shipment will be borne by Heritage until the shipping carrier's confirmation of delivery to the address of record in Auctioneer's file (carrier's confirmation is conclusive to prove delivery to Bidder; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature) or delivery by Heritage to Bidder's selected third-party shipper. On all foreign shipments, any risk of loss during shipment will be borne by the Bidder following Auctioneer's delivery to the Bidder's designated common carrier or third-party shipper.

35. Due to the nature of some items sold, it shall be the responsibility for the successful Bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.

36A. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) ivory, whalebone, turtle shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay or failure to obtain any such license or permit does not relieve the buyer of timely compliance with standard payment terms. For further information, please contact Ron Brackemyre at 800- 872-6467 ext. 1312.

36B. California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

36C. Auctioneer shall not be liable for any loss caused by or resulting from:

- a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
- b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles

37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

## **Cataloging, Warranties and Disclaimers:**

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, for example, Fine Art, may have express written warranties and you are referred to those specific terms and conditions. .

39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.

40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.

42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

## **Release:**

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, those of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

## **Dispute Resolution and Arbitration Provision:**

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein. Consumer disputes shall be resolved through court litigation which has an exclusive Dallas, Texas venue clause and jury waiver. Non-consumer dispute shall be determined in binding arbitration which arbitration replaces the right to go to court, including the right to a jury trial.

46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to and/or arising out of your Participation in the Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation or any claim made by you of a lot or your Participation in the auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer { which claim you consent to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent as the case may be) and Heritage each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. Exemplary or punitive damages are not permitted and are waived. A Claim is not subject to class certification. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return. This Agreement and any Claim shall be determined and construed under Texas law. The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought vs. awarded or the successful defense of a Claim based on damages sought vs. awarded) may be awarded its reasonable attorneys' fees and costs.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid or arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

## **Miscellaneous:**

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.

53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

# Terms and Conditions of Auction

## Additional Terms & Conditions:

### COINS & CURRENCY

COINS and CURRENCY TERM A: Signature- Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be

liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM N: Some of the lots offered herein have been assigned to 1031 Services, Inc. for the purpose of consignor's tax deferred exchange.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
